Formal, Fun, Focus

For a weekend of memories you can be PROUD of...

Camp Fade

2014

So, let's say you're weighing your options about your high school prom. You don't want to be involved in anything improper or spiritually dangerous, but you don't want to miss out on the whole prom experience (i.e. getting dressed up, a night out with a date and/or friends, etc.) There is an opportunity provided that would give you the best of both worlds. Enter >Prom!

For the past 10 years, we have invested time, effort, and money to provide high school 10th-12th graders with an alternative to their school prom. We decided that our alternative needed to be GREATER than what a school's prom could ever dream of being. That's just what you'll experience when you attend >Prom. We have combined a great environment, great spiritual focus, great food, great friendships, and a great weekend with great memories that you can be proud of!

This year >Prom returns to a favorite location among past attendees…the very nice Harbor Lodge facilities at Children's Harbor on Lake Martin! This place provides a nice, glass-walled banquet hall for the formal, quaint and cozy cabins, a great game and activities building, basketball and volleyball courts, swimming, and "the BLOB." As an added convenience, Will Tucker and the Dalraida church of Christ are offering free transportation to and from Montgomery, AL.

There are plenty of reasons to avoid your school prom. Here's one more…you can attend a formal and retreat that is GREATER than prom! More details can be found here: www.walnutstreetchurchofchrist.com/prom2014. Space is limited, so please call 334-368-0147 or mail in the registration form asap.
